

The ASOIF Sport Development & Education Group (ASDEG)

Specific Terms of Reference

The ASDEG advises the ASOIF Council and the Executive Director on Sport Development and Education issues.

Objectives

The objectives of the ASDEG are to:

- Provide insight and advice on sport development and education to the ASOIF Council and the Executive Director;
- Discuss current sport development and education issues generally affecting the ASOIF Members such as legacy programs before, during and post-Olympic Games and Youth Olympic Games;
- Lead or co-lead workshops and seminars on sport development and education issues are of interest to the ASOIF Members;
- Share good practices during the ASDEG Forum, providing opportunities to IFs to showcase their latest work on developing their National Federations, Coach programs, Management Training programs etc; and
- Perform any other tasks of a development or education nature entrusted to it by the ASOIF Council or the Executive Director.
