THE EDITION PLAN

CONTEXT

The Edition Plan details the requirements pertaining to the organization of the Dakar 2026 Youth Olympic Games.

- With the postponement of the YOG **from 2022 to 2026**, the update of the Edition Plan is a commitment in the amendment to the **Host Contract** to be finalized in **2023**.

The Edition Plan was developed on the basis of close collaboration (Co-Creation) between YOGOC Dakar 2026 and the IOC, with the involvement of stakeholders throughout the process.

- The update of the **Edition Plan** is an opportunity to adapt the **Dakar 2026 project** to developments in recent years, to optimize the **Games delivery plan** and to align in terms of:
 - Scope and Portfolio
 - Budget
 - Deadlines & Milestones
 - Human resources
 - Roles & Responsibilities

THE SPORTS PROGRAMME

Review of the Sports Programme: disciplines, events and athlete quotas

- Adapt the Master Plan of the Games and the sports product
- Optimise occupancy of the Youth Olympic Village
- Prioritise elite athlete development pathways
- Alignment of the number of teams in team sports, quotas in racket and combat sports
- Finalisation of a reduced and optimised competition calendar

Ongoing consultations with IFs with the aim of reducing costs and complexity while ensuring a stimulating sports program

Actions taken and Next Steps

- Group visits from IFs to Dakar to examine and finalize the sites (03rd – 06th October 2023)
- Complete YOGOC communication and information sharing plan for IFs
- Define the Sport Initiation Programme activities and the IF and NF involvement.
- Engagement planned with OBS to validate change proposals
- Finalization of the sports program and athlete quotas by the IOC Executive Commission
- Doping Control accredited laboratory selected, service agreement developed and submitted to IOC for approval
